# ABOUT CGI WINDOWS & DOORS

CGI has a strong reputation for offering architectural-grade impact windows and doors with unique features and high-quality construction that exceed industry standards. CGI products have been specified and installed in some of the most prestigious residential and commercial projects in South Florida, including the Palm Beach Breakers Hotel historical restoration. Established in 1992, the company was the first impact window and door manufacturer to offer PVB laminated glass designed exclusively to meet the Miami-Dade County impact-resistant protocols.
